## 1. Decision

In our current state of knowledge, the road bridge over Aberdeen Railway Station continues to meet the criteria for listing. The listed building record has been amended. The category of listing remains at A.

## 2. Designation Background and Development Proposals

### 2.1 Designation Background

The road bridge is listed as part of Aberdeen Railway Station, which was listed on 02/03/1990. This listing was reviewed as part of the Castlehill Ward listing resurvey in 2006 and the listed building record was updated at this time.

### 2.2 Development Proposals

The bridge is part of the Station Gateway Development Brief, which is part of Aberdeen City Centre Masterplan. The draft brief was approved by the Council on 20/01/2016. This development aims to improve the gateway and pedestrian routes to and from the railway station.

### 3. Assessment

---

#### 3.1 Assessment information

The bridge has not been visited. The present assessment is desk-based, using available information and has included reference to recent photographs.

#### 3.2 Assessment against designation criteria

An assessment against the listing criteria was not carried out.

*The designation criteria are found in the Scottish Historic Environment Policy (SHEP), pp. 71-85. <http://www.historic-scotland.gov.uk/shep-dec2011.pdf>*
