### 4 Summary of proposed works (max 20 words)

Installation under south garden wall of low voltage electricity supply cable to a meter box on inner side of wall
-------------------------------------------------------------------------------------------------------------------

### 5 Description of proposed works

From the cable trench on the outside of south wall approx. 8m to the east of main gate, it is proposed to insert the electricity supply cable under the garden wall into the garden to a meter distribution box sited inside the wall at the point where cable enters the garden. Meter box measuring 1000mm high x 600mm wide x 250mm deep, to be mounted on legs negating the need to attach it to the wall.
