

**Ancient Monuments and Archaeological Areas Act 1979  
Scheduled Monument Consent Decision Notice**

**Case ID**                      **201602629**                      **Index No**    **M90150**

**Scheduled Monument**                      **Glasgow Cathedral, precinct and graveyard**

**Location/Address**    **CITY OF GLASGOW**

**Proposed Works**    **Restoration of Cemetary**

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below, subject to the attached conditions.

**Consented Works:**

Re-building approximately 80 cubic metres of collapsed retaining walls, restoring a collapsed mausoleum, restoring three free-standing walls. Removal of setts forming a car park and restoring to grass.

as described in your application dated 15 August and the following supporting documents:

- Glasgow City Council Land and Environmental Services 5110-Works and Site Information for the Restoration of the North Burial Ground at Glasgow Cathedral
- Application for Scheduled Monument Consent for the North Burial Ground at Glasgow Cathedral (August 2016) – Summary of Proposed Works
- North (New) Burial Ground, Glasgow Cathedral, Condition Statement
- Emails and attachments from D McCue (Glasgow City Council Land and Environmental Services) to HES 12 and 15 August 2016

**Conditions referred to above**

1. No mort cages shall be installed until their design, form and location have been approved by Historic Environment Scotland in writing.

*Reason: to ensure that the character of the monument is maintained and to maintain an accurate record of works to the monument.*

**Reasons for the Decision:**

Subject to compliance with the schedule of conditions set out below, the works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
