**8 Other information relevant to application**

The route shown minimises grounds disturbance and the depth is minimum for good practice. As for other similar works in the area it is likely that the remains of an earlier garden wall will be encountered, and archaeological watching brief will be provided. The proposed works provide safer option to extensive cable routes and connections above ground.

**9 Declaration**

☒ I hereby apply for scheduled monument consent for the works described in this application and shown on the accompanying plans and drawings.

☒ I confirm that the information I have given on this form is true and accurate.
