Ancient Monuments and Archaeological Areas Act 1979

Scheduled Monument Consent Decision Notice

Case ID	201504436	Index No	M5291
Scheduled Monument	Caledonian Canal, Kyltra Lock		
Location/Address	Inverness, Highland		
Proposed Works	Replacement of cope stone and repair to surrounding stone work		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below, subject to the attached conditions.

Consented Works:

- a) Replace a broken and delaminated cope stone and repair the surrounding stone work

as described in your application dated 15 October and the following supporting documents:

- 1) Top view map (Ref 1)
- 2) Photo of damaged stone (Ref 2)
- 3) Photo of area (Ref 3)
- 4) Method statement

Conditions referred to above

1. At least two weeks before any works begin on site, the applicant shall provide a written timetable of work to Historic Environment Scotland and the local authority archaeologist. Any changes to that timetable shall also be notified to both bodies beforehand.

Reason: to enable a representative of Historic Environment Scotland to have the opportunity to inspect the work for which consent is granted, and to inform the local authority archaeological service of the proposed works.

2. Two weeks after completion of the works, the applicant will provide a photographic record to Historic Environment Scotland, taken before, during and after the works.

Reason: to ensure that an accurate record of works to the monument is maintained.

Historic Environment Scotland Àrainneachd Eachdraidheil Alba

Reasons for the Decision:

Subject to compliance with the schedule of conditions, the works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
