Scheduled Monument	**Caledonian Canal,Corpach to Banavie**		
Location/Address	**Lochaber, Highland**		
Proposed Works	**Add inspection platform and repairs to swing bridge pier substructures (where required)**		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below, subject to the attached conditions.

Consented Works:

a) The installation of an inspection platform/pontoon in order to carry out works to the B-listed swing bridge.

as described in your application dated 20 November and the following supporting documents:

1) Existing general arrangement bridge closed Sheet 1 of 2 (DR-CB-001)
2) Substructure condition survey
3) Existing general arrangement bridge open sheet 2 of 2
4) Topographical study
5) Pontoon platform

Conditions referred to above

1. At least two weeks before any works begin on site, the applicant shall inform Historic Environment Scotland and the local authority archaeologist in writing of the likely timetable of works. Any changes to that timetable shall also be notified to both bodies.

Reason: to enable a representative of Historic Environment Scotland to have the opportunity to inspect the work for which consent is granted, and to inform the local authority archaeological service of the proposed works.

2. Two weeks after completion of the works, the applicant will provide photographs of the completed works to Historic Environment Scotland.

Reason: to ensure that an accurate record of works to the monument is maintained.
