

## LEGEND

- electrics
- drainage
- ventilation and extract
- gas

new location of wall mounted dj box

areas of existing floor finish that may require lifting and resetting to allow for service amendments

All proposed and existing services are indicative only. Site investigation will be required by client's approved specialists.

Proposed services are noted on plan to line up with all equipment as per proposed layout. Refer to drawing AL(00)01 / AL(80)00 and equipment schedule for information.

Proposals show current gas supply and extract for existing pizza oven (located in kitchen) being reused to service new gas pizza oven (located in servery area). All details and specification to be confirmed with M&E consultant and subject to client approval.
