Ancient Monuments and Archaeological Areas Act 1979 Scheduled Monument Consent Decision Notice

Case ID	201505456	Index No	M90022
Scheduled Monument	Arnol, blackhouses no. 39 and no. 42 and associated croft houses		
Location/Address	Western Isles		
Proposed Works	Repair of rotted timber roof structure and consolidation of wall		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below, subject to the attached conditions.

Consented Works:

- a) The repair of the rotted timber roof structure and consolidation of the south east byre wall of Blackhouse no. 42.

as described in your application dated 24 November and the following supporting documents:

- 1) Works location and scheduled area drawing
- 2) Methodology and specification document
- 3) Preliminary bat roost assessment survey report

Conditions referred to above

1. Two weeks after completion of the works on site, the applicant will provide photographs of the work area, before, during and after the works, to Historic Environment Scotland's Heritage Management Directorate.

Reason: to ensure that an accurate record of works to the monument is maintained.

Reasons for the Decision:

Subject to compliance with the schedule of conditions, the works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
