Scheduled Monument	New Abbey Corn Mill, mill, mill pond, lade, fish pond and curling pond		
Location/Address	Nithsdale, Dumfries and Galloway		
Proposed Works	Repairs to Mill Kiln Funnel vault masonry		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below, subject to the attached conditions.

Consented Works:

- a) Like-for-like repair to kiln structure

as described in your application dated 21 December 2015 and the following supporting documents:

- 1) Drawing: Kiln Vault Consolidation Proposed Works
- 2) Drawing: Photographic Record Kiln Vault – West Elevation
- 3) Drawing (A4) Location Plan
- 4) Annex A: Supporting Information
- 5) Annex B: Options Appraisal

Conditions referred to above

1. A report containing a photographic record of the affected part of the structure, including indentations related to temporary shuttering preserved in the mortar, will be produced. Two copies of the report will be submitted to Historic Environment Scotland and a record of the work will be uploaded to the OASIS database no later than 4 weeks after the recording works are completed.

Reason: In order that a record of the structure prior to works is contained in a report, archived and made available to the public.

Reasons for the Decision:

Subject to compliance with the schedule of conditions, the works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
