Ancient Monuments and Archaeological Areas Act 1979 Scheduled Monument Consent Decision Notice

Case ID	201507576	Index No	M90291
Scheduled Monument	Stirling Castle		
Location/Address	Stirling		
Proposed Works	Assessment of timber roof structures of Palace and Old King's Buildings		

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below without conditions.

Consented Works:

- a) In-situ testing of timber roof structures of the Palace and King's Old Buildings to identify internal decay

as described in your application dated 25 February and the following supporting documents:

- 1) General location map – A1
- 2) Location and pictures of loose splinters to be collected for the timber species identification – A2
- 3) Location of other in situ tests – A3
- 4) Hygrometer technical sheet – B1
- 5) Resistograph technical sheet – B2
- 6) Email from HES engineers to applicant dated 26 February 2016 providing advice on scope of works.

Reasons for the Decision

The works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
