Yes	No	
<input type="checkbox"/>	<input checked="" type="checkbox"/>	Site of Special Scientific Interest
<input type="checkbox"/>	<input checked="" type="checkbox"/>	Special Protection Areas
<input type="checkbox"/>	<input checked="" type="checkbox"/>	Special Areas of Conservation
<input type="checkbox"/>	<input checked="" type="checkbox"/>	European Protected Species

If Yes, please give details below

A bat survey has been undertaken as part of the initial preparation works the team will follow all recommendations from that report whilst working within the tunnel for this project.

8 Other information relevant to application

The devegetation work is required at each portal entrance. This will consist of shrub and other plant removal by cutting as closely into the brickwork as possible prior to treatment to prevent regrowth. there is no vegetation removal required within the structure immediately adjacent to the canal.

9 Declaration

I hereby apply for scheduled monument consent for the works described in this application and shown on the accompanying plans and drawings.

I confirm that the information I have given on this form is true and accurate.
