AMENDED ENTRY

3036

The Ancient Monuments and Archaeological Areas Act 1979

Amended entry in the schedule of monuments

Historic Environment Scotland in exercise of the powers conferred on it by section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979 hereby amends the entry in the statutory schedule of monuments as set out below.

The monument known as **Old Caberston, scooped settlement 310m E of** comprises the remains of a prehistoric scooped settlement from the late first millennium BC or early centuries AD. It is visible as a scarp enclosing a sunken oval area terraced into a south-facing hillside on the lower slopes of Early Knowe. It lies about 170m above sea level and overlooks the River Tweed, 300m to the southeast.

The scheduled area is irregular on plan, to include the remains described above and an area around them within which evidence relating to the monument's construction, use and abandonment is expected to survive.

The monument, which lies in the Parish of Innerleithen and the County of Peebles as shown in red on the plan annexed and executed as relative hereto.

This entry supersedes the Entry in the Schedule of Monuments for the monument known then as **Old Caberston,scooped settlements 270m E of** in respect of the monument dated 31 May 1971.

Subscribed by Allan Rutherford, Deputy Head of Designations (Scheduling) with Historic Environment Scotland, at Edinburgh on the 10th day of March Two thousand and Sixteen, before this witness Edwin Smith, of Longmore House, Salisbury Place, Edinburgh.
