Ancient Monuments and Archaeological Areas Act 1979
Scheduled Monument Clearance Decision Notice

Case ID	**201508070**	**Index No**	**M2745**
Scheduled Monument	**Little Clyde, Roman camp**		
Location/Address	**Clydesdale, South Lanarkshire**		
Proposed Works	**Fell and remove trees from area adjacent to Roman Camp and within SAM designation.**		

Historic Environment Scotland hereby **grants** scheduled monument clearance for the works detailed below, **without conditions**.

Consented Works:

a) Harvesting of conifers

As described in your application dated 23 March, and the following supporting documents:

1) Map of planned works (Map 1)
2) Email from Forest Enterprise Scotland 20 April 2016 setting out supplementary actions to accompany SMC application.

Reasons for the Decision:

The works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
