4 Summary of proposed works (max 20 words)

Installation of new interpretation signage to replace existing weathered interpretation signage.

5 Description of proposed works

Works: Proposed signage works follow a pattern of signage details already installed at other monuments. Work will include the removal of existing signage from existing locations and replacement with new signs.
The gatehouse site sign currently on a kneeler stone and foundation will be removed and a new sign CRK01 relocated on the salvaged kneeler on external north side of the entry over the ditch. One new sign location on the approach to the keep, involves the installation of a new cairn stand for new sign

CRK02. The removal of old sign and kneeler and foundation at CRK01 and concrete foundation and excavation for new foundations for signs CRK01 and CRK02 to be carried out under archaeological monitoring/ supervision as set out in the Written Statement of Investigation.
Other signage within the keep involves the replacement of current signage with new signs. Signage all as detailed in the accompanying drawings 90085-160406-001 & 002
