

Data Protection Act 1998

Any personal data that you may be asked to provide on this form will be held and processed in accordance with the Data Protection Act 1998. The information provided by you and other relevant parties will be used for processing and determining your application for scheduled monument consent, and to confirm and update Historic Environment Scotland's Owner-Occupier records. This allows us to monitor the condition of scheduled monuments, and notify you of any potential designation changes.

Your application will be processed by employees of Historic Environment Scotland. Applications will be available for public inspection and will be published on the Historic Environment Scotland Decision Portal as required by Regulation 7 and 8 of The Scheduled Monument Consent Procedure (Scotland) Regulations 2015 <http://portal.historic-scotland.gov.uk/>.

We will publish the application and relevant supplementary information including your name, address and personal information about yourself and others that you have submitted as part of the application. We will not publish personal/sensitive information that is irrelevant to the assessment of the application including your contact details (signatures, personal email addresses and telephone numbers) and your legal interest in the monument.

You must advise Historic Environment Scotland if there are particular reasons why you think any document, or part of document, you have provided cannot be published.
