Case ID **201600821** **Index No** **M6183**

Scheduled Monument **Turnberry Castle**

Location/Address **Kyle and Carrick, South Ayrshire**

Proposed Works **Formation of hard landscaping and steps to West Terrace**

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below, subject to the attached conditions.

Consented Works:

- a) Changes to the landscaping and terracing within the lighthouse enclosure.
- b) Installation of paving throughout the lighthouse enclosure.
- c) Creation of steps linking both levels of terracing.

as described in your application dated 10 May and the following supporting documents:

- 1) Written Scheme of Investigation
- 2) Layout Plan and Section
- 3) Archaeological Summary Report

Conditions referred to above

1. All work shall be confined to modern ground levelling deposits. There shall be no disturbance of any in situ subsurface archaeological deposits associated with the castle, its construction, use or occupation.

Reason: to minimise impacts on subsurface structures and/or deposits associated with the castle.

2. Within three weeks of the completion of works on site, two copies of the Data Structure Report shall be submitted to Historic Environment Scotland.

Reason: to maintain an accurate record of works on the monument.

Reasons for the Decision:

Subject to compliance with the schedule of conditions, the works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
