## 1. Decision

---

Remove: Remove building from the List.

## 2. Designation Background and Development Proposals

---

### 2.1 Designation Background

Cross, Dull is a category B building and was listed on 05/10/1971. It is in Dull parish which has not been resurveyed.

Dull,cross,Aberfeldy is also a scheduled monument (SM1622). The current entry in the Schedule is dated 14/10/1936.

### 2.2 Development Proposals

Not checked as part of this project.

## 3. Assessment

---

### 3.1 Assessment information

The stone was considered for removal as part of the Dual Designation project. This is a nationwide project to review structures which have in the past been both listed as buildings of special architectural or historic interest and scheduled as monuments of national importance. This 'dual designation' is being phased out and structures are

being assigned to being either listed or scheduled depending on their individual circumstances. Removing this dual designation will help to provide clarity for the future management of the sites.

The site was not visited and the present assessment is desk-based, using available information and has included reference to recent photographs.

The asset is a rough hewn cross, one of four marking the limits of sanctuary of Dull Abbey. The scheduling designation reflects the age, rarity and national importance of the stone, therefore scheduling is the more appropriate designation for this asset.

### **3.2 Assessment against designation criteria**

An assessment against the Listing criteria was not carried out as the importance of the structure will continue to be recognised through its designation as a scheduled monument.

*The designation criteria are found in the Scottish Historic Environment Policy (SHEP), pp. 71-85. <http://www.historic-scotland.gov.uk/shep-dec2011.pdf>*

### **3.3 Other considerations**

As part of the Dual Designation project, we have reviewed this stone and concluded that scheduling is the most appropriate mechanism to secure its preservation as an historic asset of national importance.
