

## Ancient Monuments and Archaeological Areas Act 1979 Scheduled Monument Section 42 Decision Notice

**Case ID** 201601222

**Index No** M12992

**Scheduled Monument** Whithorn Priory, monastic settlement and priory

Historic Environment Scotland hereby **grants** Section 42 Consent for the works detailed below, subject to the following conditions.

### Consented Works:

- Ground Penetrating Radar and Gradiometer Surveys in the Market Garden, Glebe Field, Whithorn Priory

As described in your application dated 01 June, and the following supporting documents:

- Whithorn Priory, Proposed Geophysical Survey: Archaeological Research Design (3 June 2016)
- Geophysical Survey – Whithorn: Quotation and Methodology (Rose Geophysical Consultants LTD; 1 June 2016)

### Conditions referred to above

1. Within 4 weeks of the end of fieldwork the applicant shall submit a copy of the survey report to Historic Environment Scotland's Heritage Management Directorate. This shall also be copied to the Sites and Monuments Record of the appropriate local authority (Andrew Nicholson, Planning and Environment, Dumfries and Galloway Council, Militia House, English Street, Dumfries, DG1 2HR).

*Reason: to enable Historic Environment Scotland's Heritage Management Directorate to monitor the progress of the work which is subject to consent and to ensure that a written record of the archaeological work is presented in an accessible form.*

2. Within 3 months of the end of the fieldwork the applicant shall send a single copy of a short report suitable for publication in Discovery and Excavation in Scotland to Archaeology Scotland and complete an OASIS data capture form (see OASIS website: <http://www.oasis.ac.uk/scotland>).

*Reason: to make widely available the immediate results of the work.*
