

## AMENDED ENTRY

889

### The Ancient Monuments and Archaeological Areas Act 1979

#### Amended entry in the schedule of monuments

Historic Environment Scotland in exercise of the powers conferred on it by section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979 hereby amends the entry in the statutory schedule of monuments as set out below.

The monument known as **Aviemore, cairn 25m SW of 24 Muirton** comprises a chambered cairn surrounded by the remains of a stone circle, dating from the late Neolithic or early Bronze Age (fourth to third millennia BC). It is visible as a ring of stones about 13m in overall diameter and standing up to 1m high with a smaller inner kerb around the centre of the cairn. Four monoliths stand to the northeast, east, southeast and south. The monument is located within a residential development in Aviemore and sits 213m above sea level.

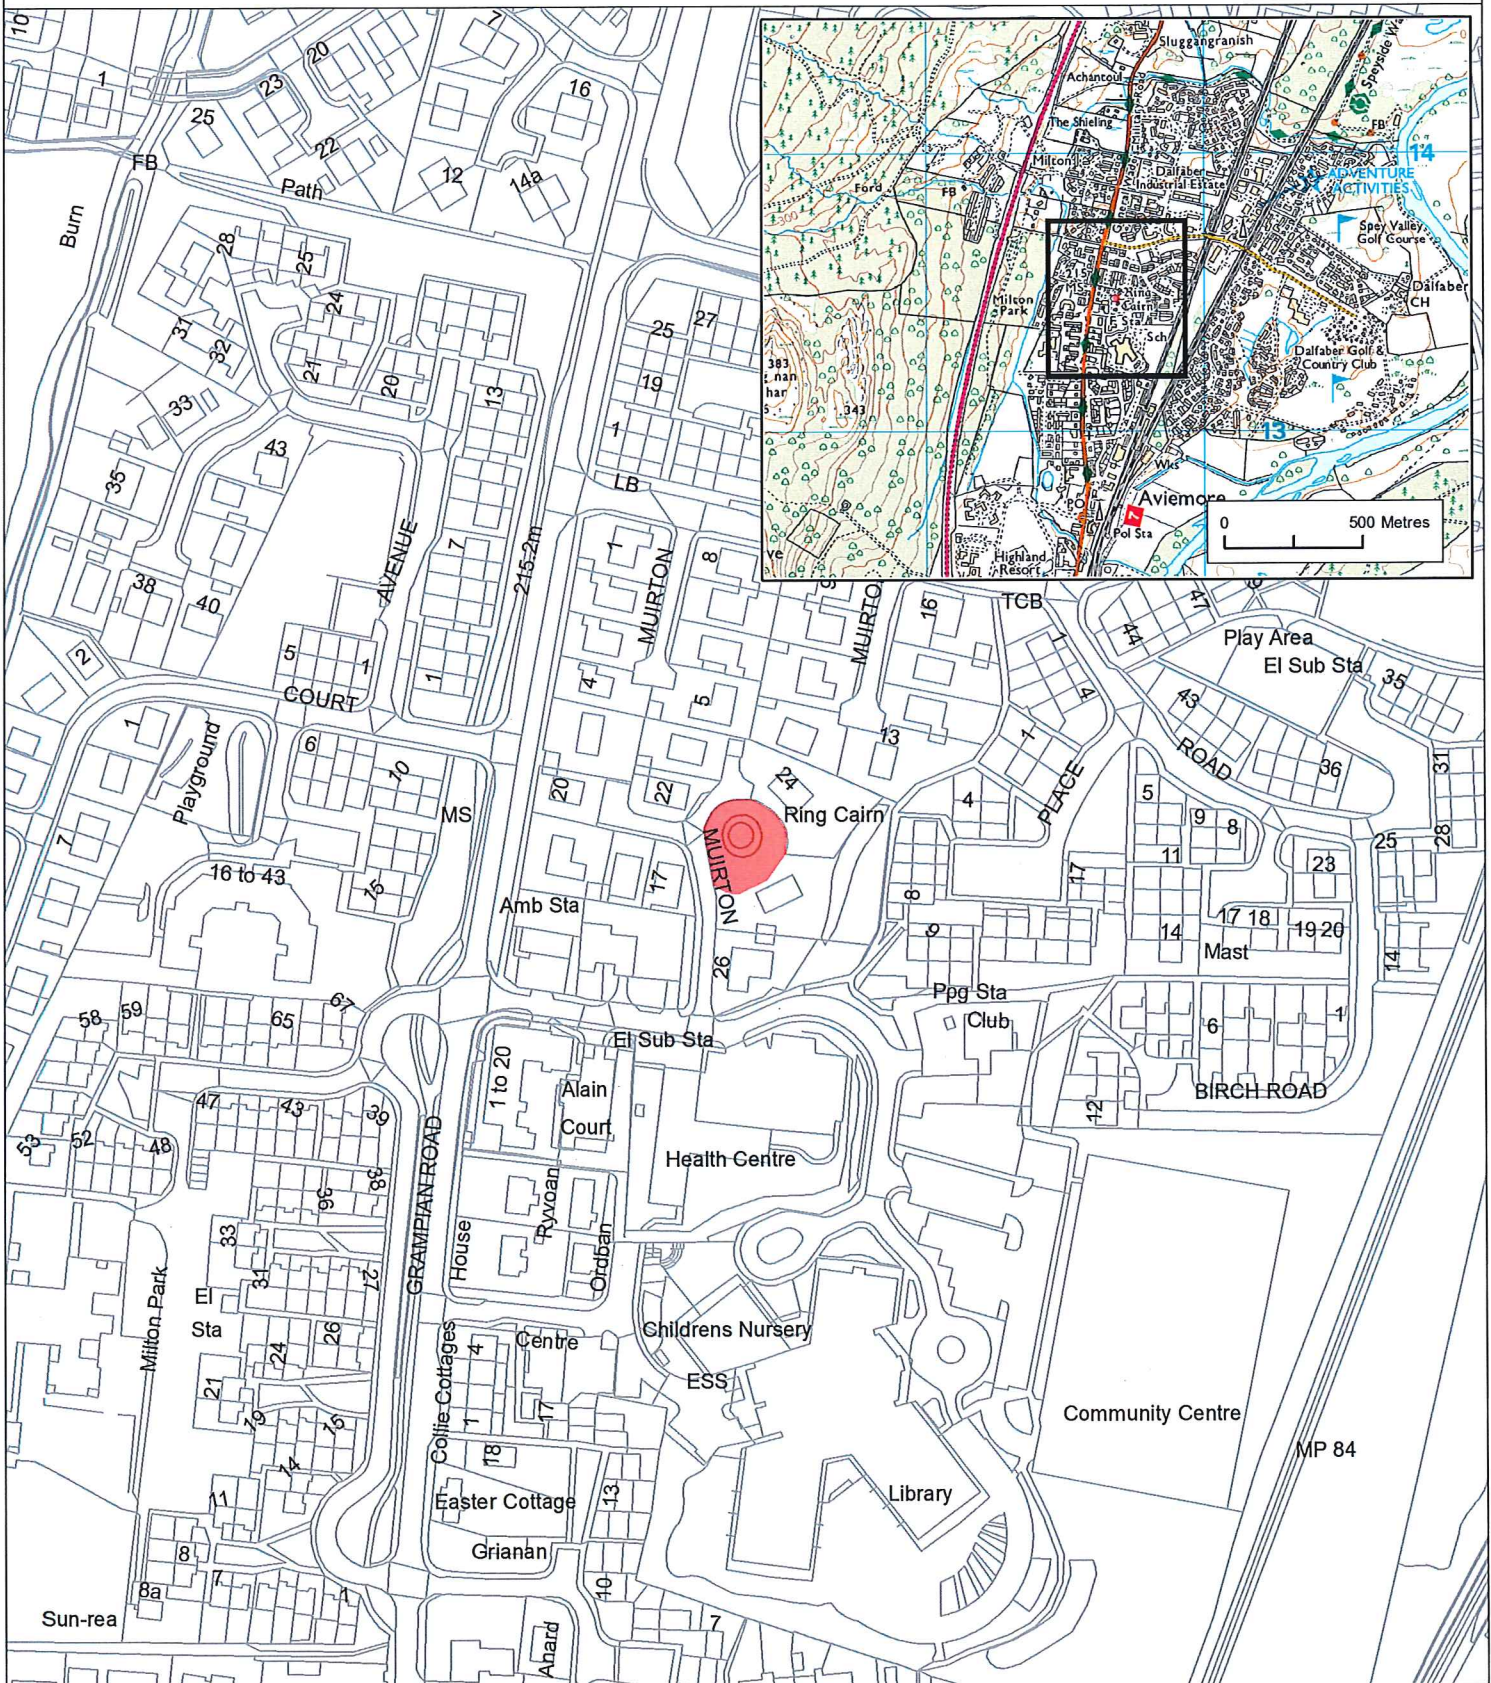

The scheduled area is irregular on plan and includes the remains described above and an area around them within which evidence relating to the monument's construction, use and abandonment is expected to survive. The scheduling specifically excludes the information plaque and stone plinth, wooden fences and manhole to allow for maintenance.

The monument, which lies in the Parish of Duthil and Rothiemurchus and the County of Inverness as shown in red on the plan annexed and executed as relative hereto.

This entry supersedes the Entry in the Schedule of Monuments for the monument known then as **Remains of stone circle and cairn, near Wester Aviemore** as referred to in the Certificate of Service of Notice by the Commissioners of His Majesty's Works and Public Buildings in respect of the monument dated 30 November 1935 and recorded in the General Register of Sasines for the County of Inverness on 20 January 1936.

Dated: 16 / 6 / 16

This is the plan referred to in the entry in the Schedule affecting:  
 Aviemore, cairn 25m SW of 24 Muirton

Designation Reference: SM889  
 Aviemore, cairn 25m SW of 24 Muirton

Parish: Duthil and Rothiemurchus
