THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 384
ENTRY IN THE SCHEDULE OF MONUMENTS

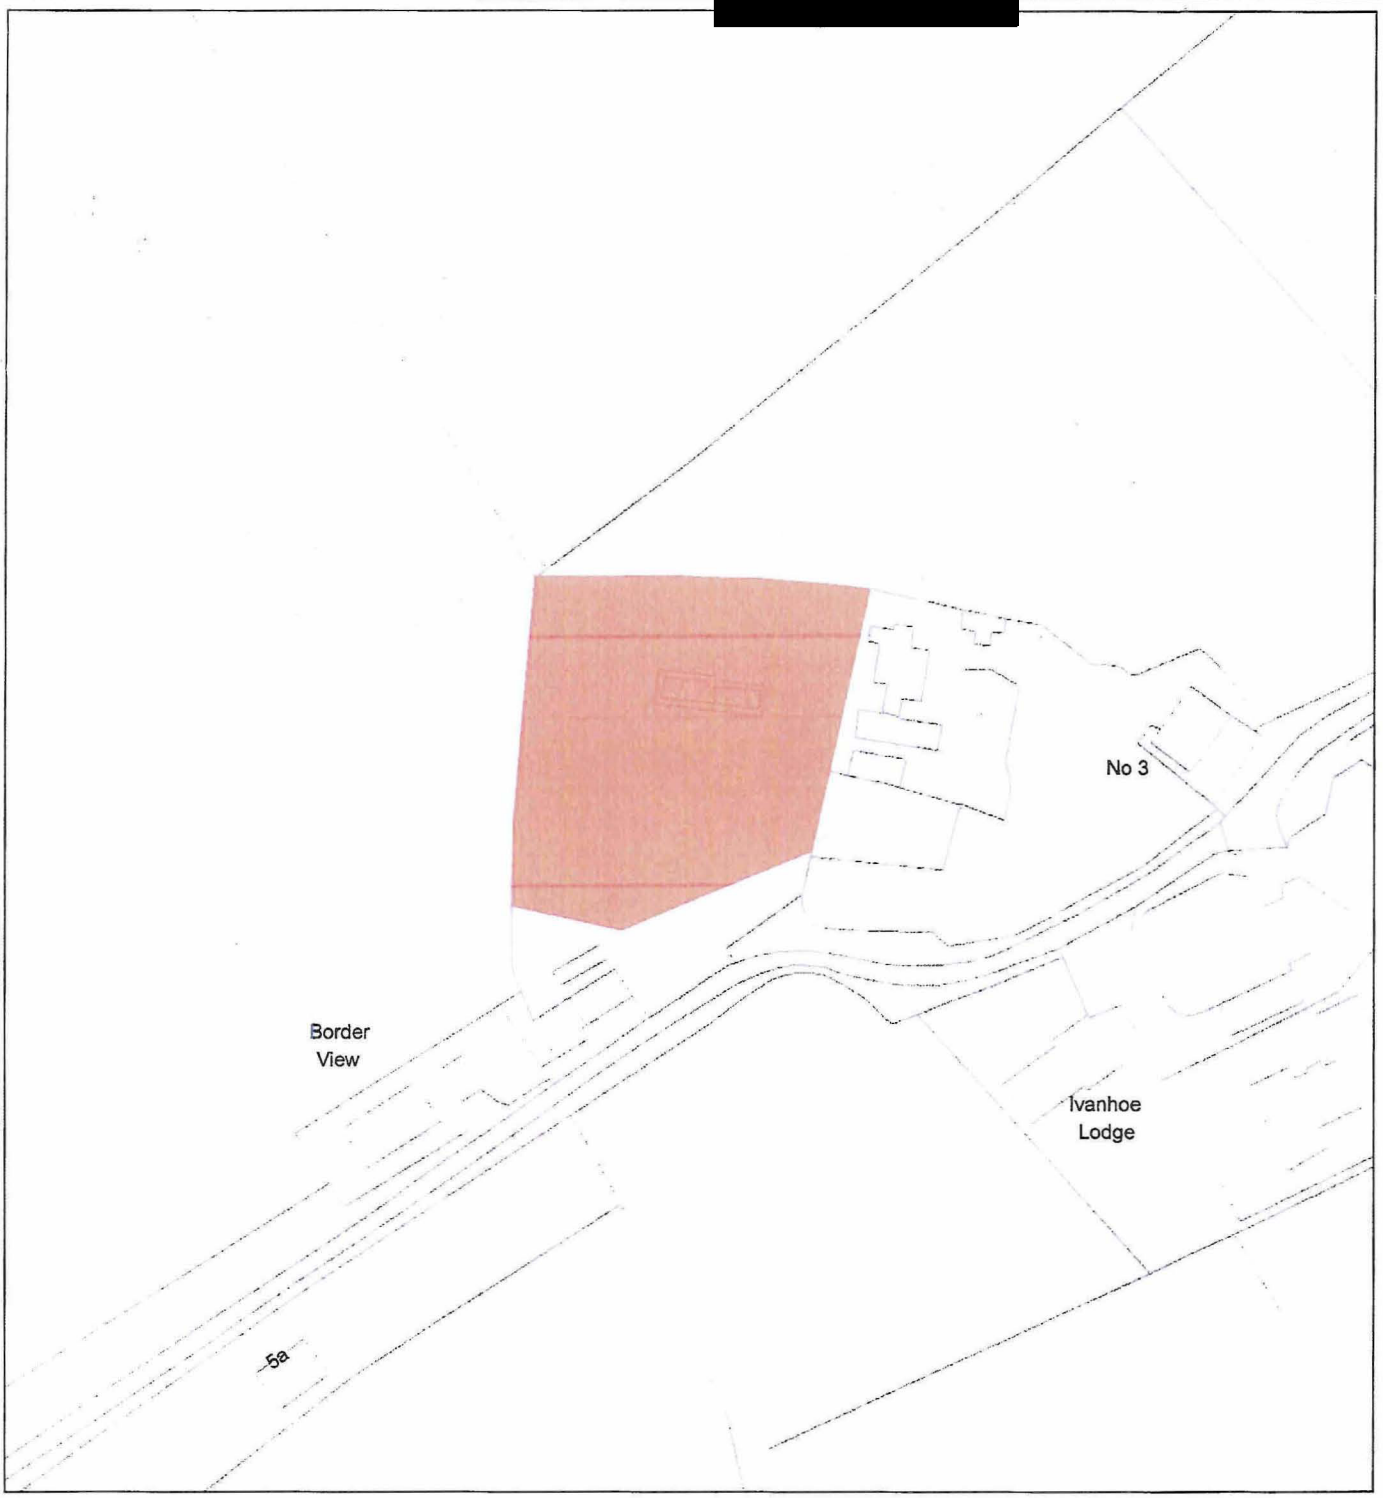

The monument known as Lamberton old church, church and churchyard 75m NNE of Border View comprises the ruins of a church, dedicated to St Lambert. The church occupies the crest of a prominent knoll that overlooks the North Sea and the road between Berwick-upon-Tweed and Eyemouth at a height of 120m above sea level. The area to be scheduled is irregular on plan defined by the boundary of the burial ground, to include the remains described and an area around within which evidence relating to their construction and use may survive. All active burial lairs are specifically excluded from the scheduling as are the above ground elements of all burial monuments, both within the church and the burial ground. The above ground elements of all post-and-wire fences, stile, the stone boundary wall and the wooden enclosures around the saplings are all specifically excluded from the scheduling to allow for their maintenance. The monument, which lies in the Parish of Mordington and the County of Berwick as shown in red on the Plan annexed and executed as relative hereto [redacted], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Subscribed by Lucy Blackburn, Acting Chief Inspector with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 29th day of October Two thousand and ten, before this witness Lorna Fairholm, of Longmore House, Salisbury Place, Edinburgh.
