THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 386
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as The Mount, motte-and-bailey castle comprises a substantial motte-and-bailey castle that stands on the brow of a steep bank above the Leet Water. The motte survives as a substantial mound, with a diameter of 20m and rising to a height of 14m. Around this is a section of well-defined ditch with a width of 10m, with an upcast rampart along its outer edge. The area to be scheduled is irregular on plan, to include the remains described and an area around within which evidence for their construction and use may survive. The above-ground elements of all post-and-wire fences are specifically excluded, to allow for their maintenance. The monument, which lies in the Parish of Coldstream and the County of Berwick as shown in red on the Plan annexed and executed as relative hereto [redacted], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Subscribed by Malcolm Cooper, Chief Inspector with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 6 day of January Two thousand and nine, before this witness Luke Wormald, of Longmore House, Salisbury Place, Edinburgh.
