THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979  
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Cairnderry, chambered cairn comprises the remains of a prehistoric chambered burial cairn, situated in a clearing beside a forest ride. The area to be scheduled is irregular, 40m N-S by 35m E-W, bounded on the E by a forest ride and on the other sides by a line some 5m from the foot of the outer slope of the cairn: this corresponds to the area clear of trees in 1995. The monument, which lies in the Parish of Minnigaff and the County of Stewartry of Kirkcudbright as shown outlined in red on the Plan annexed and executed as relative hereto

is hereby included in the Schedule of Monuments appearing to the Secretary of State for Scotland to be of national importance compiled and maintained by him under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Given under the Seal of the Secretary of State for Scotland.
