THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 1385
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as **Leafea, standing stones 535m SSW of Broadshore House** comprises two standing stones and the stumps of two further stones, representing the remains of a probable chambered cairn. The monument is likely to date from the Neolithic or Bronze Age (late third or second millennium BC). It is situated on a gentle SW-facing slope at around 20m above sea level overlooking the Sound of Hoy. The scheduled area is oval on plan to include the remains described above and an area around them within which evidence relating to the monument's construction, use and abandonment is expected to survive. The scheduling specifically excludes the above-ground elements of the post-and-wire fence running E-W between the standing stones. The monument, which lies in the Parish of Stromness and the County of Orkney and Zetland as shown in red on the Plan annexed and executed as relative hereto [redacted], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

This entry supersedes the Entry in the Schedule of Monuments for the monument known then as **Two Standing Stones SW by S of Wester Leafea** as referred to in the Certificate of Service of Notice by the Commissioners of His Majesty's Works and Public Buildings in respect of the monument dated 21 February 1939 and recorded in the General Register of Sasines for the County of Orkney and Zetland on 19 May 1939.

Subscribed by Olwyn A Owen, Head of Scheduling, Marine and Battlefields with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 13th day of February Two thousand and fifteen, before this witness Christine Kelly, of Longmore House, Salisbury Place, Edinburgh.
