THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 1409
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as **Vestra Fiold, four mounds, 380m SW of Vestrafiold** comprises the remains of four barrows (burial mounds) dating probably from the Bronze Age (between 2000 BC and 800 BC). The monument is visible as a line of four upstanding, circular, turf-covered earthen mounds. The mounds vary in size between 8m and 15m in diameter and range in height from 0.7m to 1.25m. The scheduled area consists of a rectangular area 100m NNE-SSW by 40m WNW-ESE. It includes the remains described above and an area around them within which evidence relating to the monument's construction, use and abandonment is expected to survive. The scheduling specifically excludes the above-ground elements of the post-and-wire fence that crosses the scheduled area. The monument, which lies in the Parish of Sandwick and the County of Orkney and Zetland as shown in red on the Plan annexed and executed as relative hereto [redacted], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

This entry supersedes the Entry in the Schedule of Monuments for the monument known then as **Mounds, Vestra Fiold** as referred to in the Certificate of Service of Notice by the Commissioners of His Majesty's Works and Public Buildings in respect of the monument dated 14 October 1938 and recorded in the General Register of Sasines for the County of Orkney and Zetland on 5 December 1938.

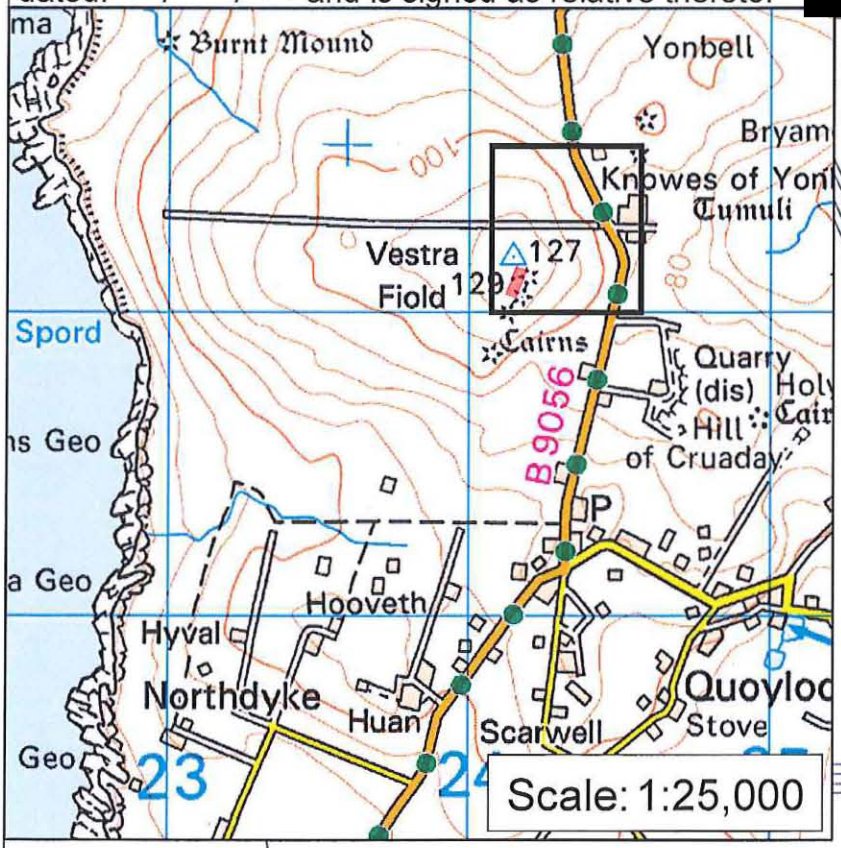

Subscribed by Olwyn A Owen, Head of Scheduling, Marine and Battlefields with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 5th day of December Two thousand and fourteen, before this witness Christine Kelly, of Longmore House, Salisbury Place, Edinburgh.
