

THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 3282
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Bishops' Manor, manor house and chapel comprises the remains of a manor complex, known as Bishops' Manor, which is probably of later medieval date and survives as the turf-covered remains of a group of three buildings situated on a peninsula projecting into Bishop's Loch. The area to be scheduled is irregular on plan, to include the remains described and an area around in which evidence for the site's construction and use may survive. The monument, which lies in the Parish of New Machar and the County of Aberdeen as shown in red on the Plan annexed and executed as relative hereto

, is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Subscribed by Malcolm Cooper, Chief Inspector with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 6 day of February Two thousand and ten, before this witness Mairi H Davies, of Longmore House, Salisbury Place, Edinburgh.
