THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 3571
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Mangaster Voe, prehistoric house 610m NW of Innbanks comprises the remains of a prehistoric house with a possible annex on its north side. The house is roughly circular, approximately 8m N-S by 7m transversely, within walls about 1.5m wide that appear as low footings of turf and stone. The house is believed to be late Neolithic or Bronze Age in date (around 3000 to 1000 BC). It is located just above sea level on a small promontory that consists of semi-improved grassland and overlooks Mangaster Voe to the north. The area to be scheduled is irregular on plan, to include the remains described above and an area around them within which evidence relating to the monument's construction, use and abandonment may survive. The monument, which lies in the Parish of Northmavine and the County of Orkney and Zetland as shown in red on the Plan annexed and executed as relative hereto and which forms part of the subjects described [redacted], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

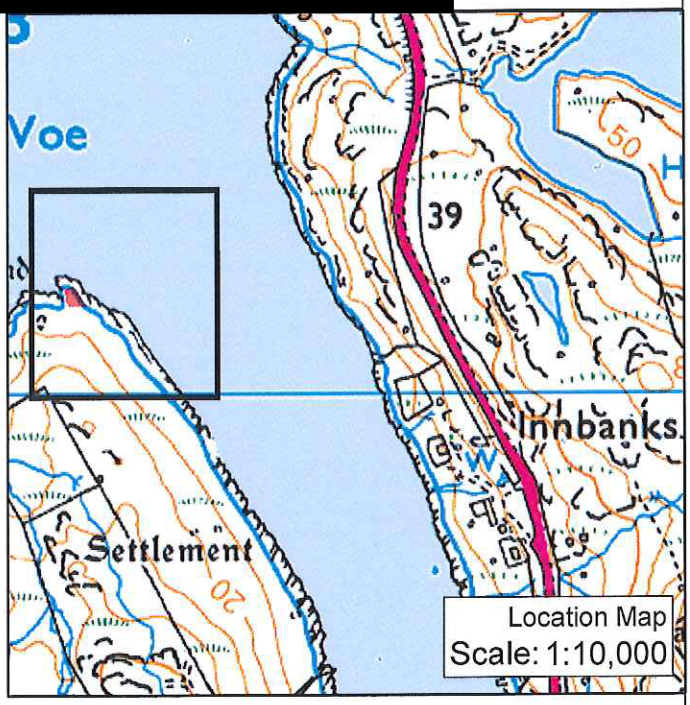

Subscribed by Barbara Cummins, Director of Heritage Management with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 5th day of July Two thousand and twelve, before this witness Victoria Murray, of Longmore House, Salisbury Place, Edinburgh.

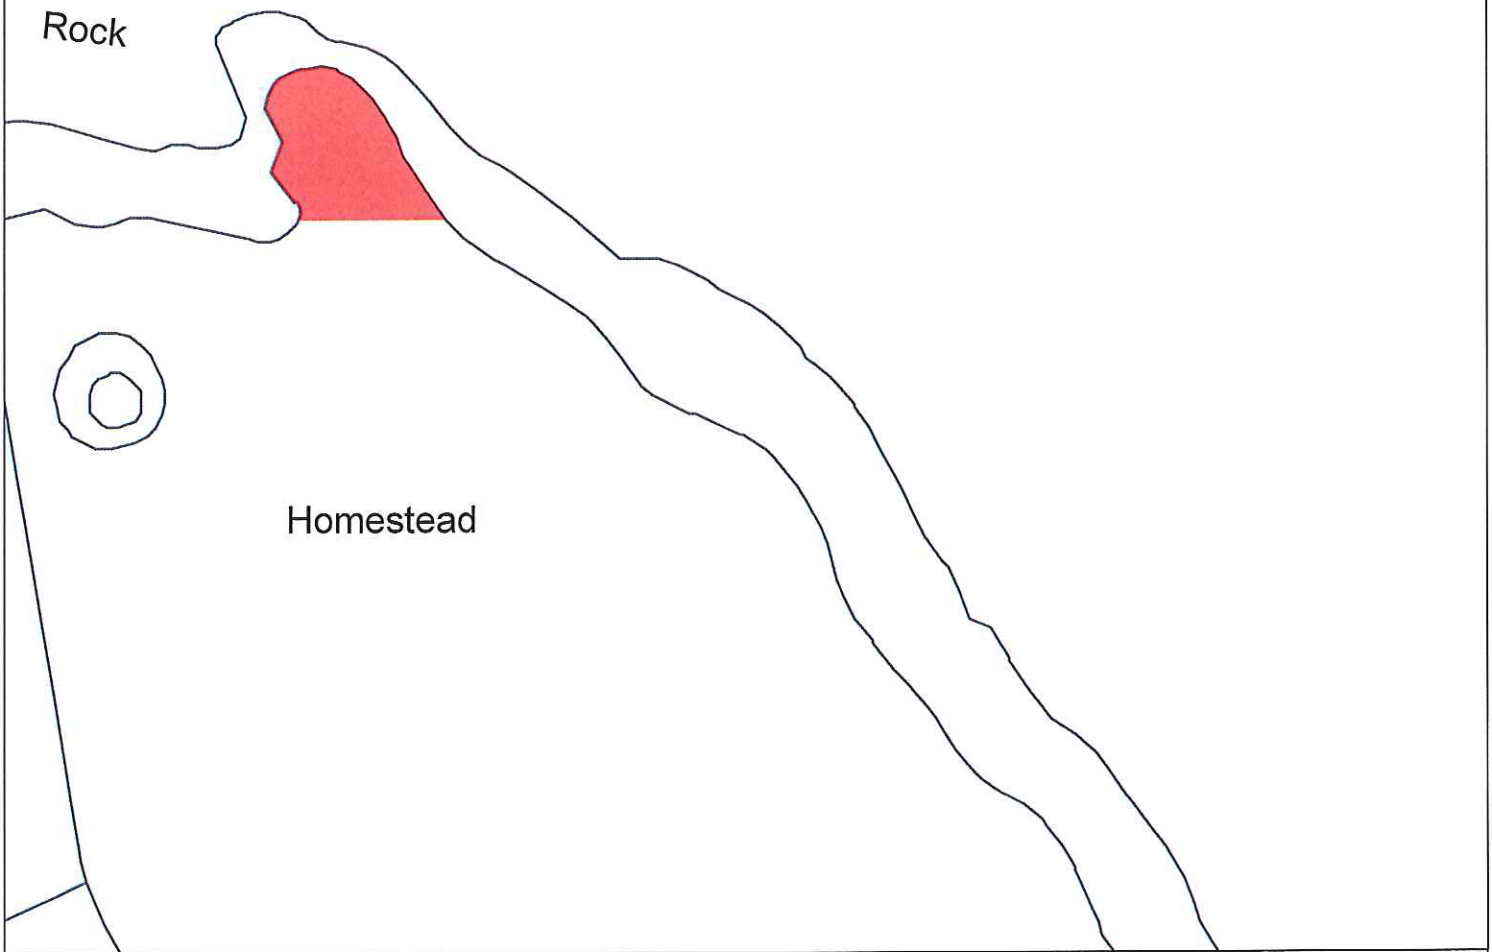

[redacted] Witness [redacted] Director of Heritage Management
