ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Hamar Knowe, house 740m NE of Clymlea comprises the remains of a prehistoric house, which is visible as low turf-covered stone walls forming two oval compartments. The structure measures approximately 8m NW-SE by 6m transversely. There are traces of an enclosing bank on the NE edge. It is late Neolithic or Bronze Age, dating to some time between 3000 and 1000 BC. It is located on elevated ground around 20m above sea level on semi-improved grassland. It lies on the coastal strip overlooking South Nesting Bay to the east. The area to be scheduled is oval on plan, to include the remains described above and an area around them within which evidence relating to the monument's construction, use and abandonment may survive. It excludes the above-ground elements of the post-and-wire fence situated between the monument and the road, which runs across the NW edge of the scheduled area. The monument, which lies in the Parish of Nesting and the County of Orkney and Zetland as shown in red on the Plan annexed and executed as relative hereto and which forms part [redacted] is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

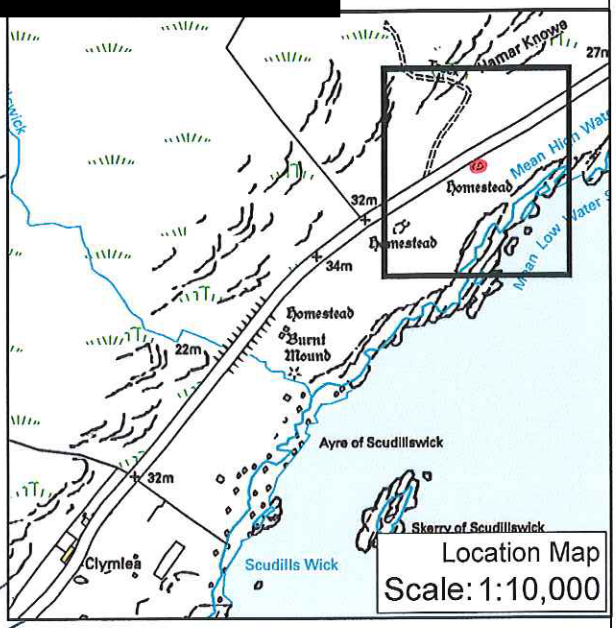

Subscribed by Barbara Cummins, Director of Heritage Management with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 9th day of August Two thousand and twelve, before this witness Victoria Murray, of Longmore House, Salisbury Place, Edinburgh.
