THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 3597
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Vassa Voe, house & enclosure 320m SSW of Seaview comprises the remains of a prehistoric house and associated field enclosure. The prehistoric house is oval in shape and measures approximately 11m by 8m. The low intermittently visible remains of a wall run around the house, forming a large, approximately oval enclosure, measuring a maximum of 65m SW-NE by 60m transversely. The monument is believed to be late Neolithic or Bronze Age in date, probably from around 3000 to 1000 BC. It is located on sloping ground around 15m above sea level on the west shore of Vassa Voe, an arm of Catfirth. The area to be scheduled is irregular on plan to include the remains described above and an area around them within which evidence relating to the monument's construction, use and abandonment may survive. The monument, which lies in the Parish of Nesting and the County of Orkney and Zetland as shown in red on the Plan annexed and [redacted] is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

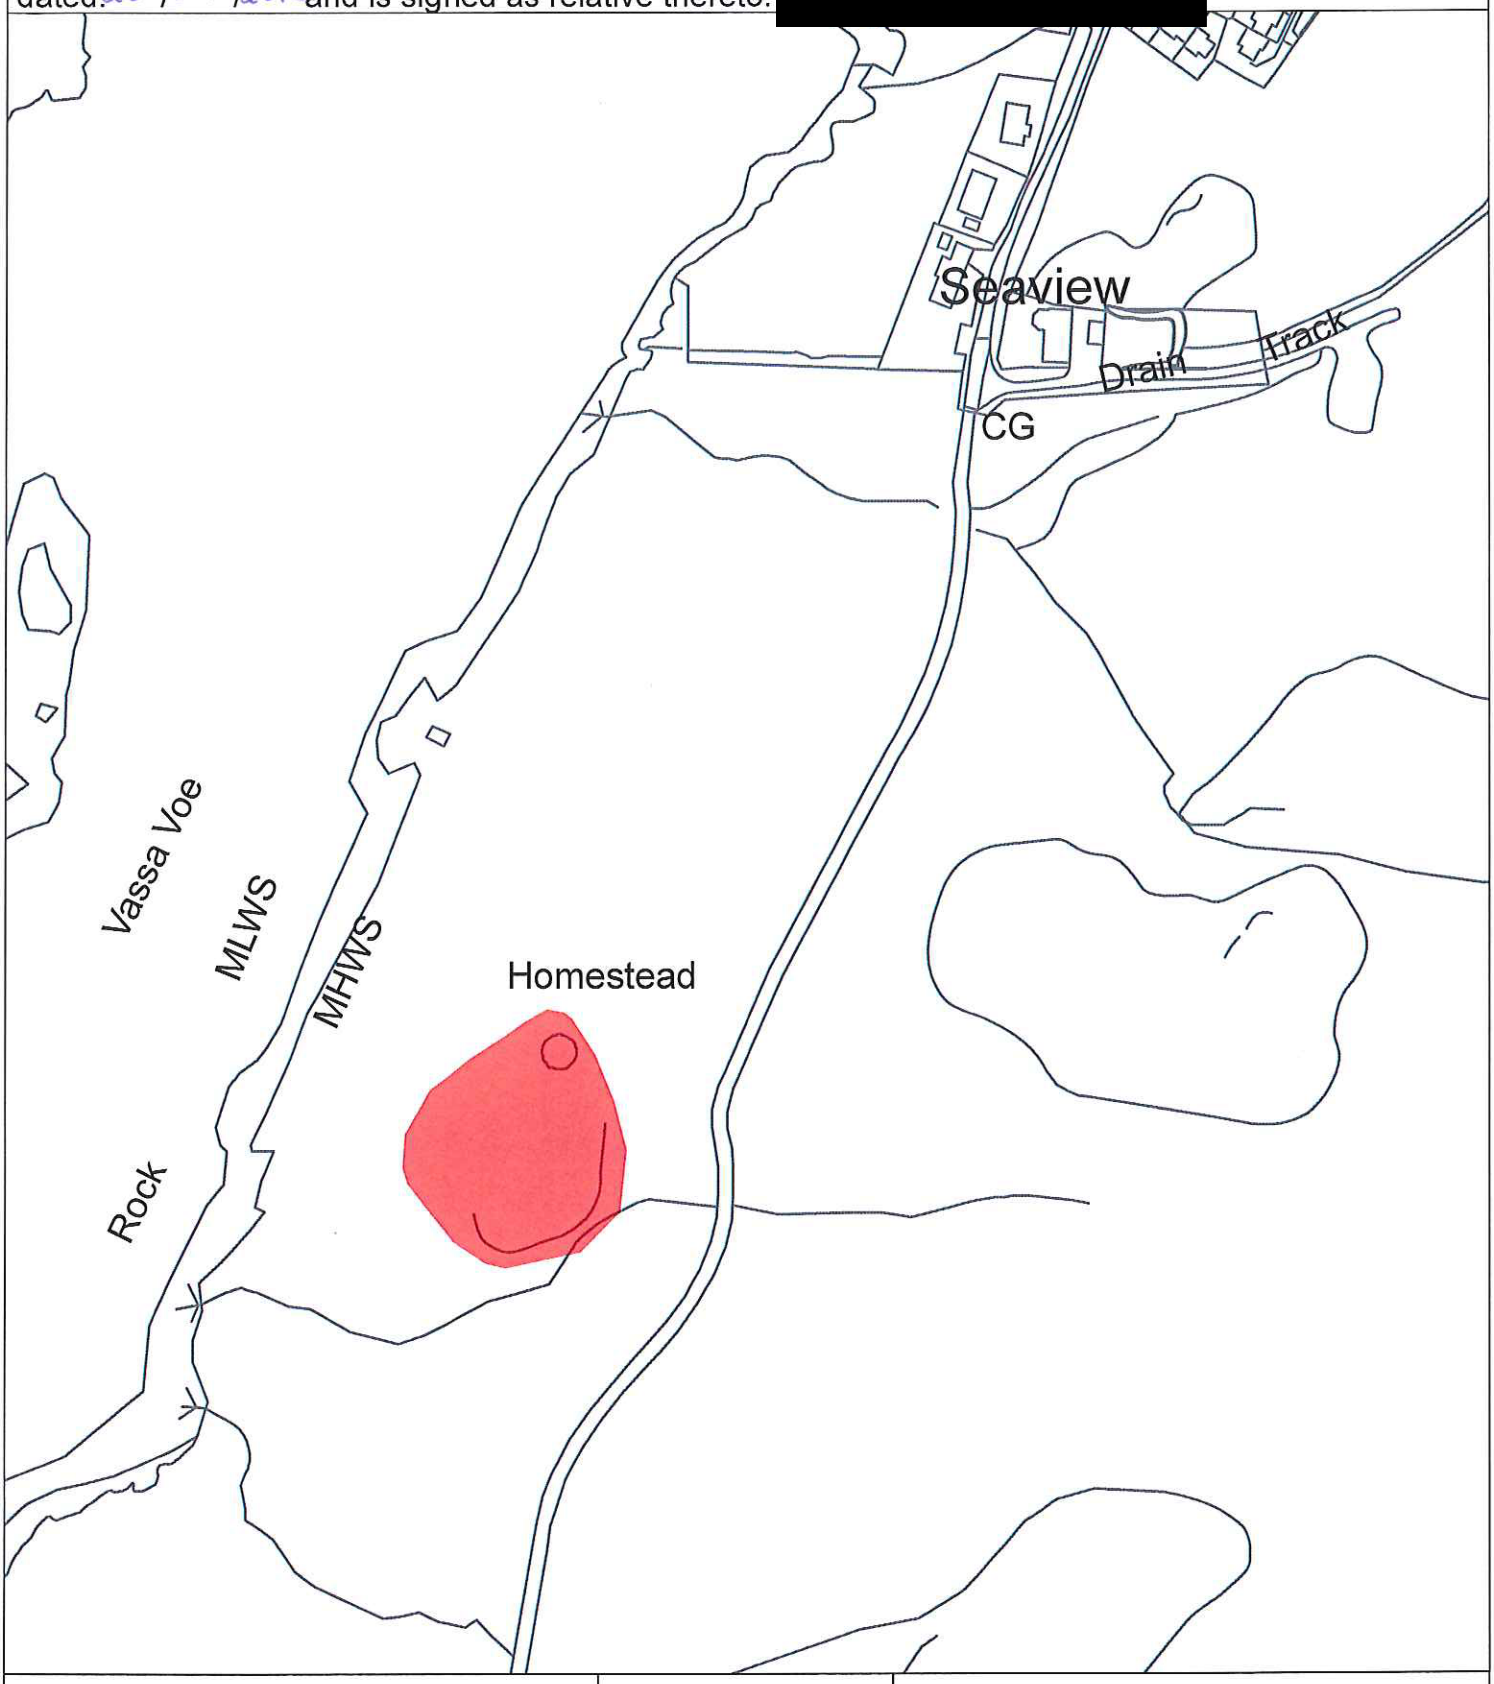

Subscribed by Olwyn Owen, Head of Scheduling, Marine and Battlefields with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 26th day of September Two thousand and twelve, before this witness Christine Kelly, of Longmore House, Salisbury Place, Edinburgh.
