THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 3864
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as **Skirmie Clett, enclosures 740m SE of Onziebust, Wyre** comprises the remains of a group of six interrelated enclosures of prehistoric date, possibly from the Bronze Age (between about 2000 and 800 BC). The enclosures are irregular in shape and the enclosing walls are of unusual and varied construction. The monument is situated on the E coast of Wyre, close to the Geo of Skirmieclett, on gently sloping land around 5m above sea level. The scheduled area is irregular in plan to include the remains described above and an area around them within which evidence relating to the monument's construction, use and abandonment is expected to survive. The monument, which lies in the Parish of Rousay and Egilsay and the County of Orkney and Zetland as shown in red on the Plan annexed and executed as relative hereto and which forms part of the subjects registered in the Land Register of Scotland under Title No OAZ1944 [redacted], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

This entry supersedes the Entry in the Schedule of Monuments for the monument known then as **Skirmie Clett, enclosures, Wyre** as referred to in the Certificate of Service of Notice by the Secretary of State for Scotland in respect of the monument dated 28 October 1977 and recorded in the General Register of Sasines for the County of Orkney and Zetland on 12 January 1978.

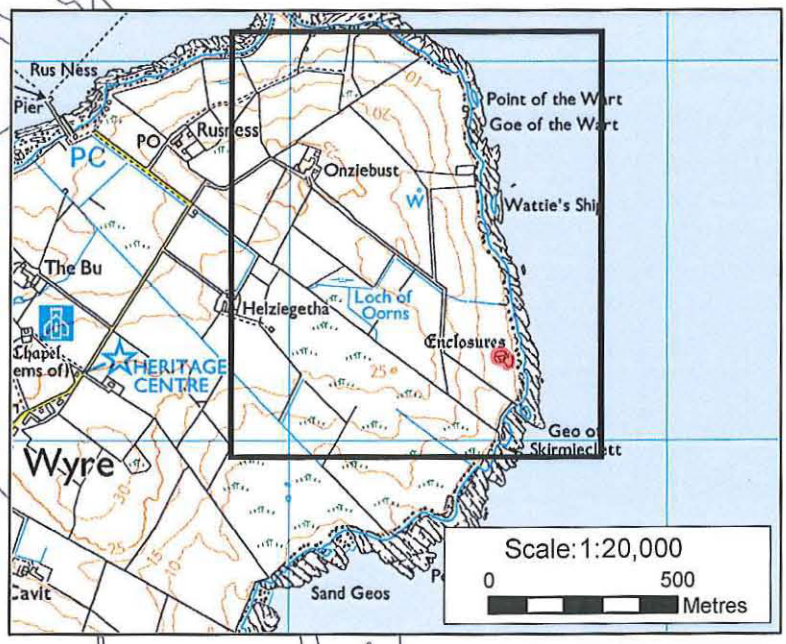

Subscribed by Olwyn A Owen, Head of Scheduling, Marine and Battlefields with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 17th day of December Two thousand and fourteen, before this witness Christine Kelly, of Longmore House, Salisbury Place, Edinburgh.

[redacted] Head of Scheduling, Marine and Battlefields
