THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 4368
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Crooks, scooped settlement 290m NNE of comprises the remains of a prehistoric scooped settlement visible as level platforms surrounded by a turf bank enclosure, likely to date to the last centuries BC/early centuries AD. It lies on an old river terrace about 225m south-east of where Stennies Water meets with Meggat Water, around 140m above sea level. The area to be scheduled is irregular on plan to include the remains described above and an area around within which evidence relating to the monument's construction, use and abandonment may survive. The scheduled area extends up to but specifically excludes the drystone wall that bounds the road to the SW. The scheduling also excludes the above-ground elements of the drystone wall that cuts across the scheduled area to the north and the telegraph pole in the north-west of the scheduled area, to allow for their maintenance. The monument, which lies in the Parish of Westerkirk and the County of Dumfries as shown in red on the Plan annexed and executed as relative hereto [redacted], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

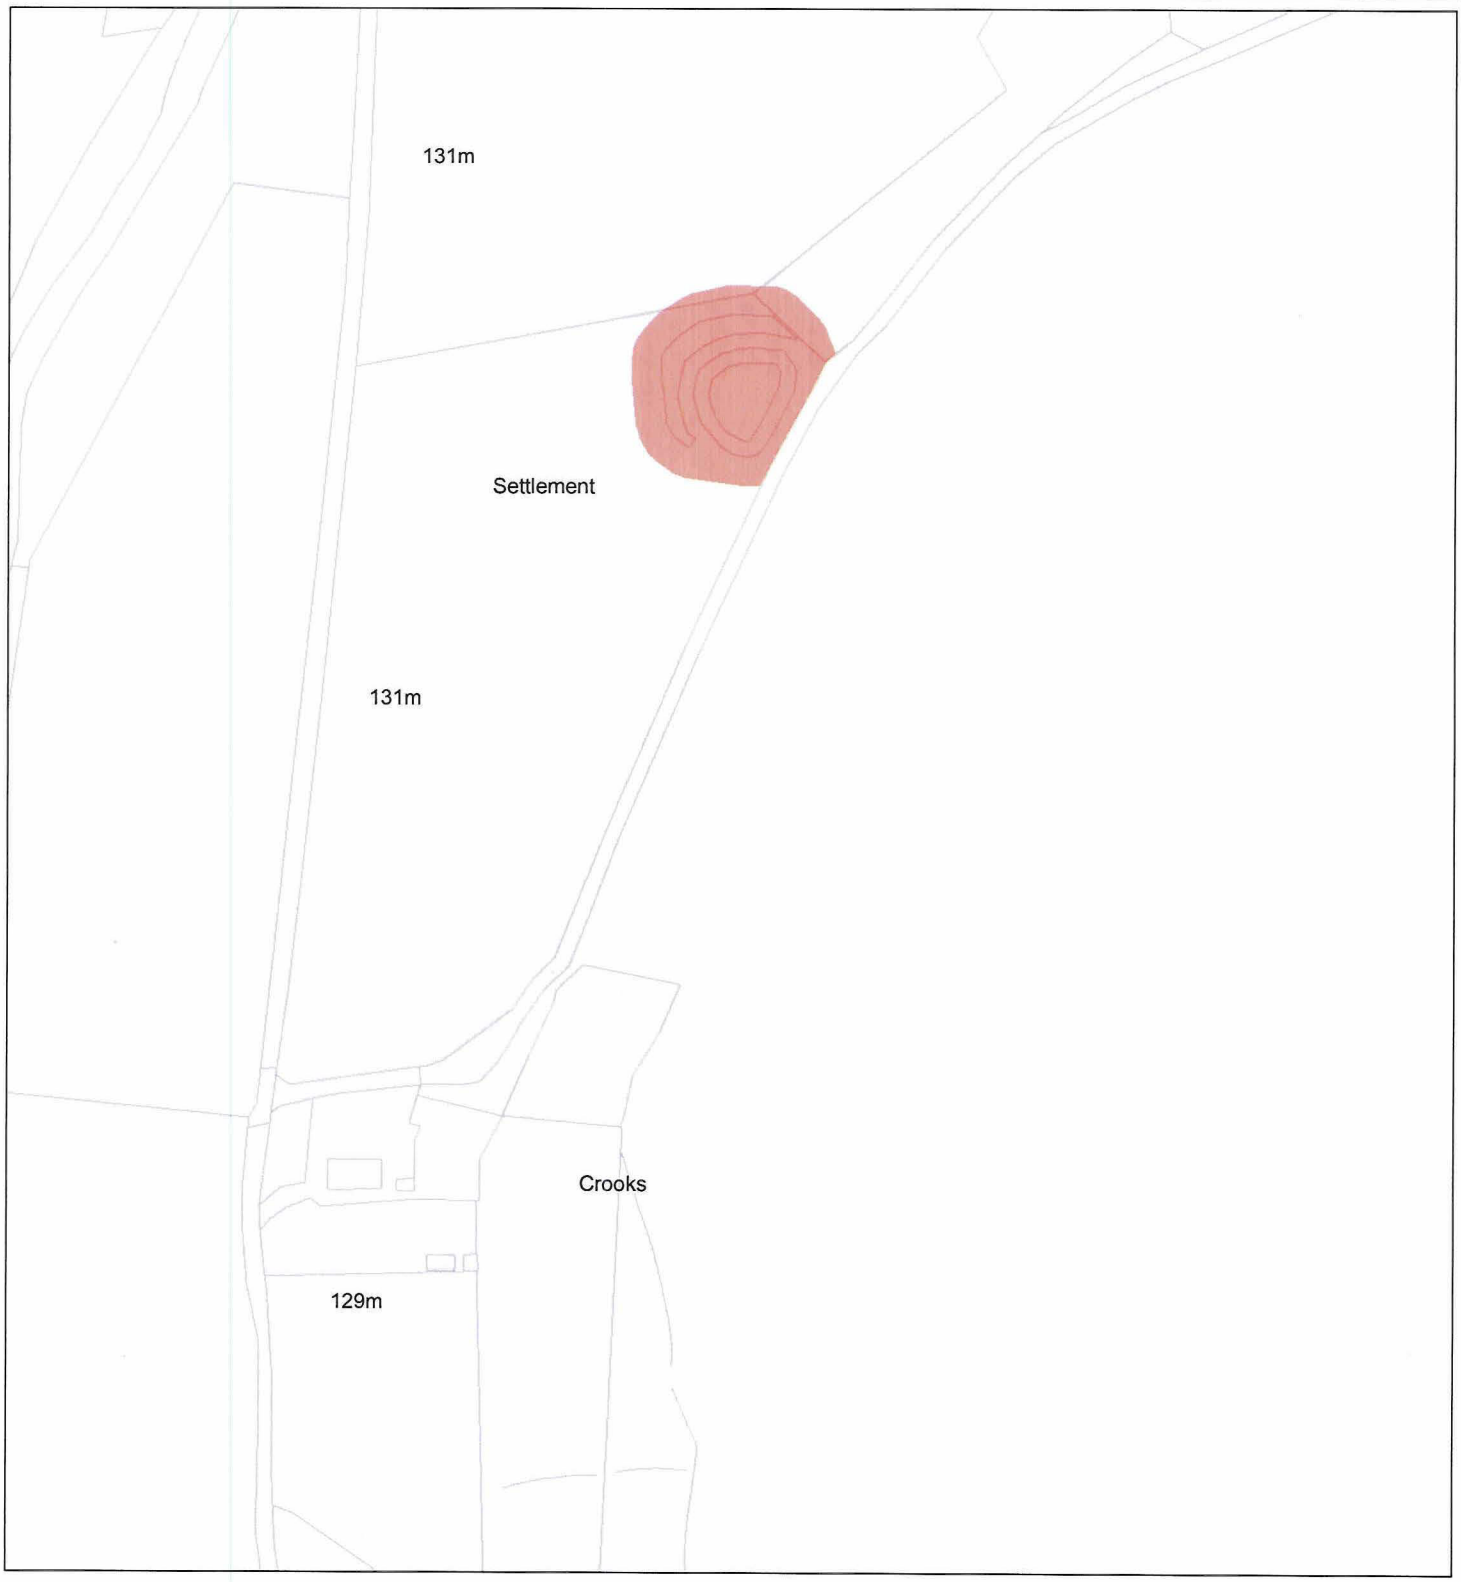

Subscribed by Malcolm Cooper, Chief Inspector with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 28 day of January Two thousand and ten, before this witness Mairi H Davies, of Longmore House, Salisbury Place, Edinburgh.
