THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 4401
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Loch Hill, fort 745m NNE of Hoghill comprises the upstanding remains of a prehistoric defended settlement or fort, visible as a turf bank, outer ditch and footings of circular timber buildings. It lies east of Ewes Water, a tributary of the River Esk, on the summit of Loch Hill, 255m above sea level. The area to be scheduled is irregular in plan, to include the remains described above and an area around within which evidence relating to the monument's construction, use and abandonment may survive. The scheduling excludes the above-ground elements of the stone dyke to allow for its maintenance. The monument, which lies in the Parish of Ewes and the County of Dumfries as shown in red on the Plan annexed and executed as relative hereto [redacted], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Subscribed by Malcolm Cooper, Chief Inspector with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 15 day of May Two thousand and ten, before this witness Mairi H Davies, of Longmore House, Salisbury Place, Edinburgh.

[redacted] Witness [redacted] Chief Inspector

This is the plan referred to in the entry in the Schedule affecting:
Loch Hill, fort 745m NNE of Hoghill

[redacted]

dated: 16/3/10 and is signed as relative thereto.
