THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979  
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Wardhouse, settlements and field systems 500m SE of Home Farm comprises two large roundhouses measuring up to 12m in diameter within wallbases 2-3.5m wide and up to 0.5m high, and field banks and clearance going with them, and a medieval fermtoun and the rigs going with it. The rigs, 8m crest to crest, are well preserved despite one modern episode of ploughing about 1961, and include fine examples of the typical sinuous plan. The central area, from which the rigs radiate, has not been ploughed in modern times and contains the foundations of turf and stone enclosures representing houses, pens and yards. The area proposed for scheduling contains these remains; it measures up to 600m EW by up to 350m NS with its SE side bounded by the fence at the edge of the public road but excluding that and all other fences within and bounding the area. The monument, which lies in the Parish of Kennethmont and the County of Aberdeen as shown outlined in red on the Plan annexed and executed as relative hereto and

 is hereby included in the Schedule of Monuments appearing to the Secretary of State for Scotland to be of national importance compiled and maintained by him under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Given under the Seal of the Secretary of State for Scotland.
