THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 4723
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Over Cassock, fort and enclosures 40m SSW of comprises the upstanding remains of a fort and later enclosures, visible as a series of turf and stone banks and ditches and likely to date to the later prehistoric period. It lies between around 250m and 270m above sea level. The site lies on a promontory formed by the Barr Burn, Fosse Linn and an unnamed stream. The area to be scheduled is irregular in plan, to include the remains described above and an area around within which evidence relating to the monument's construction, use and abandonment may survive. The scheduled area extends up to, but specifically excludes, the post-and-wire fence and drystone dyke that mark the boundary of the E side of the scheduled area. The scheduling also excludes the above-ground elements of those post-and-wire fences and drystone dykes that cross the scheduled area to allow for their maintenance. The monument, which lies in the Parish of Eskdalemuir and the County of Dumfries as shown in red on the Plan annexed and executed as relative hereto [redacted], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Subscribed by Malcolm Cooper, Chief Inspector with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 13 day of March Two thousand and ten, before this witness Mairi H Davies, of Longmore House, Salisbury Place, Edinburgh.
