THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Littlepark Cairn comprises a burial cairn of the neolithic or Bronze Age situated on the N flank of Cruise Back Fell. It measures 20m in diameter and 0.7m high but it is probably larger than it originally was as a result of the dumping of field clearance stones. The area to be scheduled includes the cairn and an area around it within which traces of activity associated with its use may be found. It measures 30m in diameter, centred on the monument. The monument, which lies in the Parish of New Luce and the County of Wigtown as shown outlined in red on the Plan annexed and executed as relative hereto and which forms part of the subjects described in the Disposition by the Earl of Stair in favour of Trustees under Deed of Trust dated 13 August 1970 [redacted] is hereby included in the Schedule of Monuments appearing to the Secretary of State for Scotland to be of national importance compiled and maintained by him under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Given under the Seal of the Secretary of State for Scotland.
