THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Mid Gleniron, hut circle and cairns 1100m N of comprises a group of about forty small cairns which extend for about 500m on the W slopes of Gleniron Fell. The hut circle stands on a terrace about 350m N of Mirren's Croft measuring about 5.5m in diameter and 0.2m to 0.4m high, the entrance is on the SSE. The proposed schedule area covers all of these. The SW corner is at NX1910 6281 and the area extends 100m due E and 300m due N. The slopes are quite boggy and it is reasonable to suppose that other monuments of the Bronze Age may be hidden beneath the peat. The monument, which lies in the Parish of New Luce and the County of Wigtown as shown outlined in red on the Plan annexed and executed as relative hereto and which [redacted], is hereby included in the Schedule of Monuments appearing to the Secretary of State for Scotland to be of national importance compiled and maintained by him under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Given under the Seal of the Secretary of State for Scotland.
