THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Meadowfield, enclosure 400m ENE of comprises the remains of an enclosure dating from the mid to late first millennium BC. It appears as a cropmark in an arable field and it is likely that further remains, not susceptible to cropmark formation, will survive in the vicinity. The roughly circular enclosure measures 25m to 30m in diameter within a narrow ditch. The enclosure contains a very clear internal palisade. The area to be scheduled measures a maximum of 100m E-W by 100m N-S, to include the area in which cropmarks are visible and the areas around in which further features are likely to survive. The field boundary crossing the scheduled area is specifically excluded from the scheduling. The monument, which lies in the Parish of Auldearn and the County of Nairn as shown outlined in red on the Plan annexed and executed as relative hereto and which forms part of the subjects [redacted] is hereby included in the Schedule of Monuments appearing to the Secretary of State for Scotland to be of national importance compiled and maintained by him under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Given under the Seal of the Secretary of State for Scotland.
