THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Pularyan, cairns 950m WSW of comprises of a group of eight small cairns and a stony bank is about 300m W of the sheep ree 600m W of Pularyan. They are visible as moss and cropped grass mounds amongst the tussocky grass. There is also a mound of stones about 5m across visible in the stream bed to the S of the cairns. The scheduling proposal covers an area 100m square aligned N-S with its SW corner at 13306810. This includes the cairns and banks and any traces of activities associated with them and the related land-use which may survive. The monument which lies in the Parish of Inch and the County of Wigtown as shown outlined in red on the Plan annexed and executed as relative hereto and which forms part of the subjects [redacted] included in the Schedule of Monuments appearing to the Secretary of State for Scotland to be of national importance compiled and maintained by him under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Given under the Seal of the Secretary of State for Scotland.
