THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Borvemore, standing stone and site of stone circle, Scarista comprises of a standing stone and the remains of a stone circle situated in a pasture field overlooking the sea. S of single upright stone (2m high, 0.8m wide and 0.2-0.4m thick) are at least five prostrate stones. These appear to have been moved from their original positions making it difficult to postulate the original arrangement. Of these partly buried stones three are over 2m in length. N of the upright stone is a flat topped mound c.12m E-W composed of turf covered stones (possible the remains of a cairn but more likely due to field clearance). The area to be scheduled is rectangular and measures a maximum of 50m E-W by 75m N-S to include the upright stone, fallen stone circle, possible cairn and an area around these which may contain evidence of activity associated with the construction and use of the site. The monument, which lies in the Parish of Harris and the County of Inverness as shown outlined in red on the Plan annexed and executed as relative hereto and

is hereby included in the Schedule of Monuments appearing to the Secretary of State for Scotland to be of national importance compiled and maintained by him under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Given under the Seal of the Secretary of State for Scotland.
