THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Boat of Muiresk, circular enclosure 200m N of comprises the remains of a circular palisaded enclosure of the mid to late prehistoric period. It lies on a ridge at the edge of a high scarped terrace of the River Deveron. The enclosure appears in an arable field as a mark in a cereal crop;experience shows that further remains will survive around and within the visible mark in areas not susceptible to cropmarks. The area to be scheduled measures 100m in diameter centred on the circular enclosure to include the circular enclosure and an area around and within it in which further remains associated with its construction and use may survive. All modern fences within the area are specifically excluded from the scheduling. The monument, which lies in the Parish of Forglen and the County of Banff as shown outlined in red on the Plan annexed and executed as relative hereto and which forms part [redacted], is hereby included in the Schedule of Monuments appearing to the Secretary of State for Scotland to be of national importance compiled and maintained by him under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Given under the Seal of the Secretary of State for Scotland.
