THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Glasgow, remains of Bell's Pottery, Kyle Street comprises the remains of Bell's pottery. The area to be scheduled is approximately diamond-shaped, measuring 138m between its extreme N and S angles and 150m between its extreme E and W angles and includes all archaeological deposits and structural remains below ground level sealed beneath the concrete skin laid down in 1928. All buildings and works above the concrete skin are excluded from the scheduling. The monument, which lies in the Parish of Glasgow (City of Glasgow) and the County of Barony and Regality of Glasgow as shown outlined in red on the Plan annexed and executed as relative hereto and which

[redacted]

is hereby included in the Schedule of Monuments appearing to the Secretary of State for Scotland to be of national importance compiled and maintained by him under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Given under the Seal of the Secretary of State for Scotland.
