The first section runs from 300m SW of Wester Dullatur to the Dullatur-Kilsyth road, and is crossed by a track about half-way along. The second section runs from the E side of the Dullatur-Kilsyth road to a track running N-S. The third section runs from the other side of the N-S track through part of the grounds of East Dullatur House as far as the drive. The W edge of the scheduled area is defined by a field boundary 300m SW of Wester Dullatur. The E boundary is defined by the W edge of the drive leading to East Dullatur. The area to be scheduled includes the Antonine Wall rampart, berm, ditch and upcast mound, and an area to the N and S where traces of activities associated with the construction and use of the monument may survive.
