THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Stackaberg, cairn and homestead, Fetlar, comprises the remains of a prehistoric homestead, possibly Iron Age in date, built into an earlier structure which may be a cairn. It is located on the summit of Stackaberg, a low rocky hill. The area to be scheduled is a circle 60m across, to include the whole hill-top with the cairn and subsequent homestead, the other traces of walling visible nearby, and an area around these remains in which further evidence of their construction and use may survive. The monument, which lies in the Parish of Fetlar and the County of Shetland as shown outlined in red on the Plan annexed and executed as relative hereto [redacted] is hereby included in the Schedule of Monuments appearing to the Secretary of State for Scotland to be of national importance compiled and maintained by him under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Given under the Seal of the Secretary of State for Scotland.
