The scheduled area is circular on plan, with a diameter of 45m, to include the remains described above and an area around them within which evidence for the monument's construction, use and abandonment is expected to survive. The monument, which lies in the Parish of Collessie and the County of Fife as shown in red on the Plan annexed and executed as relative hereto and which forms part of [redacted] is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.
