

THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 12422
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Cranshaws House, church and burial ground 150m SE of comprises the remains of a later medieval church located to the north-west of an associated burial ground, now disused. The monument lies on a SE-facing slope of Cranshaws Hill, at 230m above sea level. The church survives as a single-cell rectangular structure that measures 19.5m east-west by 5m transversely. A 3m length of the E gable, of partially reconstructed rubble masonry, stands to a height in excess of 3m and 1m wide. Elsewhere piles of loose rubble 1m in width and standing to a height of 0.5m mark the foundations. The burial ground is sub-rectangular in plan and defined by a later stone plantation boundary dyke. The area to be scheduled is irregular on plan, bounded by the stone dykes enclosing the burial ground, to include the remains described and an area around them within which related material may be expected to be found. Specifically excluded are the above-ground elements of the dykes, to allow for their maintenance. The monument, which lies in the Parish of Cranshaws and the County of Berwick as shown in red on the Plan annexed and executed as relative hereto [REDACTED]

[REDACTED], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Subscribed by Malcolm Cooper, Chief Inspector with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 20 day of February Two thousand and nine, before this witness Luke Wormald, of Longmore House, Salisbury Place, Edinburgh.

[REDACTED] Witness

[REDACTED] Chief Inspector
