THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 12491
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as East Reston, settlement 490m NW of comprises the remains of a double-ditched enclosed settlement, visible in cropmarks, of probable later prehistoric date. It is located at 75m above sea level on the crest of a small hill 470m south of the Eye Water. The settlement survives as two concentric ditches, 5-10m apart, enclosing an area 65m E-W. The ditches are comparable in width and measure 2-4m. The monument is also visible on the ground as a slight depression in the field. The area to be scheduled is irregular on plan, to include the remains described and an area around them within which evidence relating to their construction, use and abandonment may survive. The above-ground elements of the post-and-wire fence, which marks the S edge of the scheduled area, and the above-ground elements of the telegraph poles, are specifically excluded from the scheduling, to allow for their maintenance. The monument, which lies in the Parish of Coldingham and the County of Berwick as shown in red on the Plan annexed and executed as relative hereto [redacted] is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Subscribed by Malcolm Cooper, Chief Inspector with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 30 day of March Two thousand and nine, before this witness Luke Wormald, of Longmore House, Salisbury Place, Edinburgh.
