THE ANCIENT MONUMENTS AND ARCHAEOLOGICAL AREAS ACT 1979 12613
ENTRY IN THE SCHEDULE OF MONUMENTS

The monument known as Fauld Burn, enclosure and building 875m W of Stidriggs comprises the remains of an enclosure, likely to be a settlement dating to the medieval period, though potentially earlier, with a number of secondary interior features. The monument survives as stony and earthen banks within rough pasture and is located on the crest of a low ridge on the E bank of the Fauld Burn, at 230m above sea level. The area to be scheduled is roughly trapezoidal on plan, to include the visible remains of the monument as well as an area around within which evidence relating to its construction and use may survive. The monument, which lies in the Parish of Kirkpatrick-Juxta and the County of Dumfries as shown in red on the Plan annexed and executed as relative hereto [redacted], is hereby included in the Schedule of Monuments appearing to the Scottish Ministers to be of national importance compiled and maintained by them under section 1(1) of the Ancient Monuments and Archaeological Areas Act 1979.

Subscribed by Malcolm Cooper, Chief Inspector with Historic Scotland, being an officer of the Scottish Ministers at Edinburgh on the 15 day of March Two thousand and ten, before this witness Mairi H Davies, of Longmore House, Salisbury Place, Edinburgh.

[redacted] Witness [redacted] Chief Inspector
