- 12) 1504.L.G(92)002 Edging Layout Plan (plan)

Conditions referred to above

1. Work shall not start on site until the applicant has commissioned a programme of archaeological investigation in accordance with a written scheme of investigations approved, in writing, by Historic Environment Scotland. This scheme shall be fully implemented during the course of the canal edge treatment.

Reason: to ensure that archaeological information relating to the affected areas of the monument is recovered and recorded to a satisfactory standard.

Reasons for the Decision:

Subject to compliance with the schedule of conditions, the works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
