

**Ancient Monuments and Archaeological Areas Act 1979  
Scheduled Monument Consent Decision Notice**

**Case ID**                      **201601988**                      **Index No**    **M90273**

**Scheduled Monument**                      **Scalloway Castle**

**Location/Address**                      **Shetland Islands**

**Proposed Works**                      **Dismount steel yetts to ground floor and make demountable, blast clean and redecorate**

Historic Environment Scotland hereby **grants** scheduled monument consent for the works detailed below without conditions.

**Consented Works:**

- a) Removing and redecorating the existing iron grilles on the windows.
- b) Removing and replacing the existing lexan sheets in the windows.
- c) Altering the existing fixing bars to allow for easier removal in future.
- d) Re-fitting the redecorated grilles.

as described in your application dated 13 July and the following supporting documents:

- 1) Location Plan
- 2) Document by Kirsty Owen outlining history of the grilles
- 3) Images of present grills which are amended to show proposed works. Detailed description given of works.

**Reasons for the Decision**

The works proposed are considered acceptable in meeting the terms of national policy for scheduled monuments, and also accounting for other material considerations.
