3 Pre-application discussions

Have you undertaken pre-application discussions with Historic Environment Scotland? (If yes, please give details below) Y N

Canal towpath upgrade works were consented in 2015 and delivered in early 2016, to the same specification as this years towpath upgrades.

4 Summary of proposed works (max 20 words)

Upgrade of Crinan Canal towpath by change of specification from soft to hard surface

5 Description of proposed works

Change of specification from soft type 1 compacted stone to hard surfaced towpath by introducing Dense Bitumen MacAdam (DBM) and top dressing with 6mm stone chips to match existing towpath colour.
Width of towpath upgrade same footprint as existing - 2.2 metres wide.
Methodology was used last year with great success.

6 List of plans, drawings and other documents accompanying application (continue on separate sheet if necessary)				
No	Description	Reference	Document emailed	Document posted
