

**Ancient Monuments and Archaeological Areas Act 1979
Scheduled Monument Section 42 Decision Notice**

Case ID 201602465 **Index No** M90205

Scheduled Monument Lochmaben Peel and Castle

Historic Environment Scotland hereby **grants** Section 42 Consent for the works detailed below, subject to the following conditions.

Consented Works:

- Magnetic, electrical resistance, and ground penetrating radar survey

As described in your application dated 08 August, and the following supporting document:

- Summary research design and methodology

Conditions referred to above

1. Copies of the report should be lodged with OASIS and the Archaeology Data Service (ADS) within four weeks of the completion of the work on site.

Reason: to ensure that the results of the survey are easily accessible to a wide audience and are digitally archived.

2. Within four weeks of the completion of works on site a short summary of the results should be reported for publication in Discovery and Excavation in Scotland (DES).

Reason: to ensure that the results are widely disseminated.
